

Schedule

7:45 AM Registration/Breakfast

8:15 AM Opening Remarks and Awards
Travis Dick, PharmD, MBA, BCPS

8:30 AM Keynote: Perspectives on Clinical Pharmacy Policy and Practice
Advancement: How the Rubber Hits the Road
Daniel S. Aistrope, PharmD, BCACP

9:30 AM Extracorporeal Membrane Oxygenation: Implications for the
Clinical Pharmacist
Robert Seabury, PharmD, DABAT

10:30 AM Ask the Experts: Management of Complex Patients...and
Learners!
Lisa Phillips, PharmD, BCACP, CACP
Jeanna Marraffa, PharmD, DABAT
Lara Kratochwill, PharmD, BCACP

11:30 AM Lunch / Student Networking Tables
(first-come/first-serve, non-ACPE credit activity)
Interview Tips -
CV Writing Tips -
Post-Graduate Training -
Board Certification -

12:30 PM Student Poster Session
(non-ACPE credit activity)

1:00 PM Improving Medication Safety and Reducing Medication Errors
During Transitions of Care
Rebecca Dieter, PharmD

2:00 PM Resident Hot Topic Clinical Pearls
-Treating the Opioid Epidemic's Littlest Victims: An Update on
Therapeutic Strategies for Neonatal Abstinence Syndrome:
Christine A Echtenkamp, PharmD
-What'SUP. should we prophylax in the ICU?
Katarzyna Gosek, PharmD
-Angiotensin II, Ready for (Vaso)Action?
Gregory Kelly, PharmD

3:00 PM The Bad Bugs are Here! An Update on the Management of
Multidrug Resistance in Gram-Negative Bacteria
Wesley Kufel, PharmD, AAHVP

4:00 PM Closing Remarks
William Eggleston, PharmD, DABAT

NEW YORK STATE CHAPTER OF THE AMERICAN COLLEGE OF CLINICAL PHARMACY

FALL CLINICAL MEETING

OCTOBER 27, 2017

HOLIDAY INN SYRACUSE

441 ELECTRONICS PKWY
LIVERPOOL, NY 13088

Learning Objectives

All activities listed below are knowledge based.
After completion of the program the attendee should be able to:

Keynote: Perspectives on Clinical Pharmacy Policy and Practice Advancement: How the Rubber Hits the Road
ACPE#: 0217-9999-17-214-L04-P

- Describe the policy principles of ACCP's Medicare Initiative to establish coverage for comprehensive medication management (CMM) services within the Medicare program.
- Describe the goals of the MACRA legislation as they relate to value-based payment structures.
- Identify opportunities within implementation processes to advance clinical pharmacy practice and expand access to CMM services.

Extracorporeal Membrane Oxygenation: Implications for the Clinical Pharmacist
ACPE#: 0217-9999-17-212-L04-P

- Describe the basics of ECMO
- Recognize common ECMO indications
- Identify pharmacokinetic and pharmacodynamic alterations associated with ECMO
- Formulate clinical recommendations in ECMO patients based on current literature

Ask The Experts: Management of Complex Patients...and Learners!
ACPE#: 0217-9999-17-211-L04-P

- Describe the mechanism of toxicity and risk of toxicity in calcium channel blocker overdose
- Discuss the therapeutic approach in managing a patient with calcium channel blocker toxicity
- Discuss the benefits and risks of using DOAC therapy in patients with renal dysfunction
- Identify common barriers preceptors encounter when teaching pharmacy students
- Formulate strategies for overcoming educational barriers when teaching pharmacy students

Improving patient safety and reducing medication errors during transitions of care
ACPE#: 0217-9999-17-210-L05-P

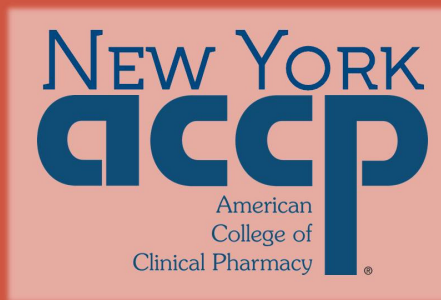

- Describe novel strategies for reducing medication errors in high-risk populations during transitions of care
- Identify potential sources of medication related adverse events impacting patients during transitions of care
- Design an institutional protocol to reduce medication related adverse events in high risk patients during transitions of care

Resident Hot Topic Clinical Pearls 2017
ACPE#: 0217-9999-17-209-L01-P

- Discuss the currently available literature evaluating angiotensin II as a treatment modality for vasodilatory shock
- Interpret the results of the ATHOS-3 trial and its applicability to the management of patients with refractory vasodilatory shock
- Describe clinically significant gastrointestinal bleeds and both historical and current rates of incidence of clinically significant GI bleeds
- Analyze pertinent clinical trials pertaining to stress ulcer prophylaxis
- Describe the pathophysiology and incidence of Neonatal Abstinence Syndrome (NAS)
- Evaluate current standards of care in the context of emerging literature regarding the use of buprenorphine in the treatment of NAS

The Bad Bugs are Here! An Update on the Management of Multidrug Resistance in Gram-Negative Bacteria
ACPE#: 0217-9999-17-213-L01-P

- Describe clinically relevant mechanisms of antibiotic resistance in multidrug-resistant (MDR) Gram-negative bacteria
- Identify recently approved antibiotics for the treatment of MDR Gram-negative bacteria
- Review the recent literature regarding the management of MDR Gram-negative infections

Target Audience

This program is appropriate for pharmacists in a wide array of practice environments, including those those involved in the provision of pharmaceutical care, clinical pharmacy research, pharmacy management, and pharmacy education.

The American College of Clinical Pharmacy is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education. This program is approved for up to 6 contact hours (0.6 CEU) of ACPE approved continuing education, 1 contact hour of which will be for Patient Safety. Participants must complete and sign an attendance verification for at the conclusion of the meeting. All participants must have an NABP e-profile ID number and date of birth on file with ACCP. All participants must claim credit at www.accp.com/ce no later than December 15, 2017. ACCP will be unable to process claims of credit after that date.

Faculty

Keynote: **Daniel S. Aistrope, PharmD, BCACP**
Director of Clinical Practice Advancement
American College of Clinical Pharmacy

Robert Seabury, PharmD, DABAT
Emergency Medicine Pharmacist
SUNY Upstate Medical University

Wesley Kufel, PharmD, AAHIVP
Clinical Assistant Professor
Binghamton University School of Pharmacy and
Pharmaceutical Sciences

Rebecca Dieter, PharmD
Clinical Transplant Pharmacist
NYU Langone Medical Center

Jeanna Marraffa, PharmD, DABAT
Clinical Toxicologist / Associate Professor
SUNY Upstate Medical University
Upstate New York Poison Center

Lisa Phillips, PharmD, BCACP, CACP
Associate Professor
St. John Fisher Wegmans School of Pharmacy

Lara Kratochwill, PharmD, BCACP
Ambulatory Care Pharmacist
SUNY Upstate Medical University

Christine A Echtenkamp, PharmD
PGY-1 Pediatric Resident
University of Rochester Medical Center

Katarzyna Gosek, PharmD
PGY-2 Critical Care Resident
New York-Presbyterian Hospital

Gregory Kelly, PharmD
PGY-2 Emergency Medicine Resident
University of Rochester Medical Center
